

bolero™

BOLERO SERIES

bolero™

Bolero is available with multiple arm and control options. Our Body Balance control is available on this series and provides weight sensing technology. This technology adjusts to your every move without the use a tension knob or paddles. Bolero is versatile for use in task, conference and executive settings at a surprisingly affordable price.

bolero™

Bolero combines style, functionality and ergonomic comfort in its simple design. The back is made of a durable polyester mesh that is breathable, comfortable and provides solid back support. Bolero is available in three mesh colors to complement diverse upholstery options.

Available in Stool Version. >

team up™

Team Up with Lined Mesh (LM) is a perfect companion for Bolero.
