# C-Files

Whether the need is for active or archival storage of drawings, C-Files are the perfect fit! Structurally, they provide the greatest protection and value of any plan file on the market.

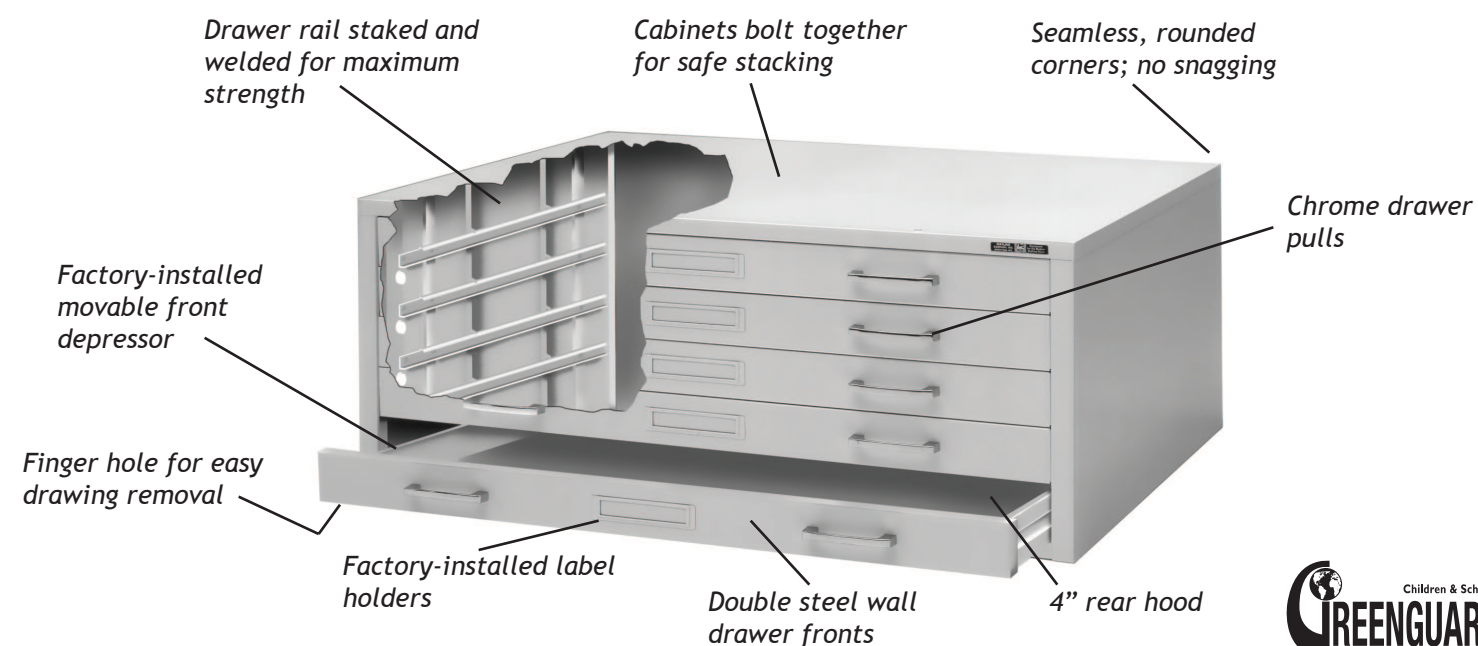

5-drawer C-File (7867) on 20" high base (7877)

- 5-drawer units have drawer height of 2" each; 10-drawer units are 5/8" each.
- Models accommodate three sheet sizes: 24"x36", 30"x42", and 36"x48".
- Base options include: 4" flush base, 6" base legs, 19 3/8" base legs, or 20" high bookshelf base.

Double stacked 10-drawer C-Files ([2] 7977C) on 4" flush base (7867W)

- Bolt together for stacking up to five high.
- Self-contained design with integral top.
- Safety stops standard in each drawer.
- Industry-unique, coated fabric dust covers available.
- Chrome drawer pulls standard.

# Museum Files

Mayline's Museum Files are unique in the market place and are perfect for the requirements of archival storage. They feature paint finishes, drawer rails and case construction, specially designed and manufactured with media document protection and artifact preservation in mind.

- Available in either 5-drawer or 10-drawer configurations in three sheet sizes (24" x 36", 30" x 42", and 36" x 48")
- 4" flush base or 20" high base with bookshelf.
- Finished in specially formulated paint to prevent outgassing.
- Nylon rimmed rollers with fully-encased ball bearings to eliminate metal-to-metal contact and abrasion.
- Fully enclosed drawer cabinet bottom to keep moisture and dust out.
- Self-contained integral caps can be bolted together for stacking.
- Chrome drawer pulls standard.

5-drawer Museum File (7667) with flush base (7967W)

# Hamilton Unit System® Plan Files

Hamilton Unit System® Plan Files are a high-capacity plan filing system built for safe, quick storage and retrieval. Sturdy steel construction and reinforced corner posts provide extra strength for ease of stacking up to five units high on a flush base.

- 5-drawer or 10-drawer units available accommodate three different drawing sizes (24" x 36", 30" x 42", and 36" x 48")
- Oversize drawers available (79 5/16" x 3/4" x 50 1/4") in 5-drawer unit for oversized maps and documents (42" x 72").
- Flush base (4" height) or base legs (6" or 19 3/8") options.
- 18-gauge reinforced steel cabinet and 14-gauge corner post construction provide additional strength.
- Patented tracing lifter on 10-drawer units for ease of retrieval and replacement of documents.
- Aluminum drawer pulls standard.

10-drawer (1J100) and 5-drawer (1J15) models interlocked on a 6" base (7890X) with cap (1J1)

# Interlocking Plan Files

## Hamilton Regular Series & Interlocking Series

Both series of interlocking files are classic steel files recommended for storage of tracings, prints, charts, maps, or semi-active or archival reference drawings. The interlocking design and heavy-duty reinforced corner posts allow for ease of stacking up to five high on a flush base.

Interlocking Plan File with cap (7767U), 2-drawer file (7764), 5-drawer file (7767), 10-drawer file (7967) and flush base (7767W)

- Interlocking Series has deep-drawer, 2-drawer, 5-drawer, and 10-drawer options.
- Hamilton Regular Series has deep 5-drawer option only.
- Files to accommodate three drawing sizes (24" x 36", 30" x 42", and 36" x 48").
- Two support base options; flush 4" base or 6" or 19 3/8" base.
- Front plan depressor and rear hood keep drawings flat and orderly.
- Optional coated fabric dust covers.
- Chrome drawer pulls.

# Wood Plan Files

Mayline's Wood Plan Files combine a natural beauty and finish with the strength and durability of hardwood construction. Wood Plan Files offer form, function and warmth in any office setting. Only select cuts of kiln-dried oak are used to provide quality construction and strength.

Wood Plan File (7717C) with bookshelf (7717S), flush base (7717W), and cap (7717U)

\* GREENGUARD certification does not apply.

- 5-drawer files support three drawing sizes (24" x 36", 30" x 42", and 36" x 48").
- 1 7/8" high drawer with standard rear hood.
- Bookcase optional.
- Attractive oak veneer and hardwood drawer bottom construction.
- Smooth working wood drawer runs.
- Optional metal card holder.
- Available in Naturalist, Golden Oak, or Unfinished
- Antique brass drawer pulls.
