training tables

Pronto Training Tables

The Pronto® training tables from Marvel® are ideal for school classrooms, training centers and libraries. Available in a variety of sizes, they will suit as computer training tables or basic training room furniture. The Pronto® tables can be set up as a continuous surface thanks to the wiring pass through feature.

***Your choice of
lockable raceway or modesty panel***

Rear side plates can be removed for side-by-side cable connections. Worksurfaces include two convenient wire grommets. Durable melamine laminate tops are available in oak or mahogany color with T-molded edge. Metal base features eco-friendly powder-coated textured finish on 20 gauge steel. Legs include vertical wire management channels with removable covers. Each foot has 2 adjustable leveling glides.
