275 standard fit

- For a single user and work applications of up to 8 hours per day, 5 days a week.
- Exceeds ANSI-BIFMA standards for users up to 275 pounds.
- High-quality component parts; custom-crafted to fit every ergonomic need.
- Available in Executive, Task, Stool and Guest models.
- Lifetime warranty to original owner (see limitations in full warranty disclosure).

Good ergonomic design provides seating solutions that increase worker comfort, health and productivity, which is why we build chairs to fit the whole person. Whatever the body size or shape, our custom-configured chairs are designed to reduce strain and help the user feel comfortable all day.

We have been dedicated to building workplace seating of the highest quality for over 20 years. All our products pass rigorous testing to ensure years of trouble-free performance. Quality materials, workmanship and customer service, all backed up by the best warranty in the industry.

Seating Inc. manufactures all of our chairs in the United States. Our goal is to use 100% North American made components in every chair and make exceptions only when there are not suitable alternatives.

Seating Inc. is proud of this commitment supporting our economy, workers and delivering the best possible quality product to our customers.

All chairs shown are upholstered in Mayer Fabrics.
